Welcome Back!!!

ranic@medinaisd.org

Welcome back to a new school year!!! I am very excited to teach this group of students again. I remember these faces and these personalities well. I have a great deal of hands-on activities planned for our units in Social Studies and Reading. I plan to teach Shurley English again this year. I will need parent participation in Shurley to enforce the learning. This is a challenging, yet beneficial Language Arts program that will prepare your child for jr. high. I am looking forward to a very fun and productive school year!!!

Important Reminders:

- * Do not label your child's school supplies.
- * Tutoring will begin after the first 3 weeks
- * If I need to contact you, it will be by phone or by e-mail
- * Please make sure and schedule your conferences

Open House:
August 21st from
5:30-7:00
